

White Crayon Art

I bet it's fun for kids to see words, shapes or pictures form when they paint over the drawn on white crayon. And you can repeat this activity as over and over again with different designs.

What you'll need

- Paint
- Paper
- Paint Brushes
- Crayons

Steps

1. Gather all the supplies
2. Take the white crayon and some paper and draw designs, pictures or words on the paper
3. Have your kids paint the page and see what comes up
