

# Nature Imprints With Clay

I like this activity because it's like playing with playdough, but instead you play with clay.

This activity combines finding things in nature with art and creativity...and it's also lots of fun!

## What you'll need

- Natural Objects
- Rolling pin
- Clay

## Steps

1. Go on a nature hunt for objects to imprint
2. Supply the nature objects to your kids with the clay and rolling pin
3. Let your kids roll the clay a bit flat
4. Add the natural objects to the clay
5. Gently roll over the natural objects with the a water bottle and pull it off to reveal an imprint
