

# Paper Plate Rhyming Memory Game

At first I thought this activity is a bit complicated for younger kids but it's actually great for introducing them to rhyming in a fun way. The pictures are bright and colorful and will be a delight to turn around. This activity also includes a beautiful printout.

## What you'll need

- Paper
- Paper Plates

## Steps

1. Print out the printables.
2. Stick the printables to a paper plate each.

Cut out the printables and stick one to the back of a paper plate.

3. Show your kids how to play .

The paper plates match when they rhyme. It's a good way to teach your kids rhyming.
