

# I-spy Tray

Your kids can play with items they already have with this I spy tray activity where they learn vocabulary skills. You just need a tray or bin of some sort and some toys or household items to play. They take turns and say what they spy.

## What you'll need

- Household Items
- Toys
- Plastic Tray

## Steps

### 1. Gather all the supplies .

Collect a few items (one in each color) to add to the tray.

### 2. Show your kids how to play .

Kids take turns to say what they spy. If kids can't talk yet, prompt them to select something you see.
