

Ice Transfer Sensory Bin

Focus. Let's transfer some ice!

Ice is fun to play with for kids and it's something everyone has in the house. This activity is great for the summer or warmer weather because one bin is filled with water and the other bin is filled with ice. You fill the bins and kids use tools to transfer the ice into the water.

What you'll need

- Food Coloring
- Water
- Bin
- Ice

Steps

1. Gather all the supplies
2. Take one bin and fill it with ice
3. Take a smaller bin and fill it with colored water
4. Set the activity up outside and invite your kids to play

Kids will learn about:

Sensory
Colour Recognition
Creativity
Fine Motor Skills
