

Car Wash Station

This is a great activity when the weather is warmish. It only uses a few things that you have at home and kids usually love playing with water and bubbles.

What you'll need

- Dish Soap
- Toy Cars
- Water
- Plastic Tray

Steps

1. Fill one tub with soapy water
2. Fill one tub with clean water
3. Supply the tubs, cars and washing tools to your kids and let them wash away

Kids will learn about:

Sensory
Fine Motor Skills
