

Shapes And Colors Parking Lot Activity

This is a fun activity for siblings to do together since the parking lot is big enough for multiple kids to play. Its also a great way to use their toy cars again.

What you'll need

- Press stick
- Paper
- Toy Cars
- Foam paper
- Tape
- Scissors

Steps

1. Cut out small shapes from the foam paper
2. Press the press stick to the back of the foam shapes and stick to the cars
3. Take a large piece of paper and draw a parking lot with the permanent marker
4. Stick matching shapes to the parking lot
5. Encourage your kids to match the cars to the parking lot

Kids will learn about:

Colour Recognition
Cognition
