

Corn On The Cobb Painting For Kids

This activity is really simple and great for kids who like to paint (like my daughter).

It's fun to paint with a different medium, and see different textures on the paper.

What you'll need

- Paint
- Paper
- Paint Brushes
- Corn on the cob

Steps

1. Get your corn and other supplies ready
2. Supply paint, the corn and paper to your kids and show them how to paint

Kids will learn about:

Sensory
Colour Recognition
Creativity
