

Sticker Busy Bin

Give your kids a container filled with stickers with their favorite character and fun shapes and images and it's sure to entertain them for a while.

Stickers are great for practicing fine motor skills and creativity. You can buy different types and shapes of stickers for kids to play with. Add crayons or markers for drawing and they are ready for quiet time.

What you'll need

- Crayons
- Stickers

Steps

1. Gather all the supplies
2. Place everything into a bin. Optionally draw shapes, numbers or letters on some of the paper.
3. Invite your kids to play with the sticker quiet bin

Kids will learn about:

Colour Recognition
Mathematics
Creativity
Fine Motor Skills
Literacy
