

Cardboard Rolls Flower Printing

I always have paint and cardboard rolls in the house so this is a nice and simple activity to do with kids. You can make different cuts in the roll and have different designs.

What you'll need

- Paint
- Paper
- Paint Brushes
- Cardboard Rolls

Steps

1. Gather all the supplies
2. Cut the cardboard rolls into the desired pattern
3. Add some paint to a plate
4. Show your kids how to make designs with the paint and cardboard rolls

Kids will learn about:
