

# Simple Clothes Pin And Basket Activity

It literally takes 1 minute for this activity to be ready to play, and you very likely already have clothes pins in your home.

My kids usually struggle to pin clothes pins onto something. But in this activity they only have to take the pins off, which makes it easier for younger kids to play with.

If you have older kids, ask them to put the pins on the basket.

## What you'll need

- Clothing Pegs
- Wire basket

## Steps

1. Place the wire basket on the floor, upside down
2. Pin the clothes pins to the wire basket .

If you have older kids, ask them to do this.

3. Invite your kids to take the pins off the basket by pinching them.

Show them how to open the pins.
