

# Felt Button Quiet Bin

Sometimes it is really worthwhile to make your own diy toys and activities for your kids, like this felt button quiet activity. With a few simple steps and supplies you can make a fun and educational toy for your kids to keep them busy and away from screens.

## What you'll need

- Buttons
- Felt
- Thread
- Child Scissors

## Steps

1. Gather all the supplies
2. Make your felt strips - cut it out, stitch the button on, cut a hole for the button
3. Show your kids how to play

### Kids will learn about:

Sensory  
Colour Recognition  
Fine Motor Skills
