

# Pom Pom Grab And Drop

I like simple to setup activities like this pom pom activity and my kids love transferring items from one container to another. It works on their fine motor skills and concentration. All you need are pom poms, tongs and a container to add the pom poms to.

## What you'll need

- Pom Poms
- Plastic Bottle
- Tongs

## Steps

1. Gather all the supplies
2. Add the pom poms to a shallow container together with the tongs and bottle
3. Show your kids how to play

### Kids will learn about:
