

Shape Match Post It Note Activity

This activity is easy enough for younger kids to do, since shape matching is not that difficult.

Plus it's a great activity for me because it uses items that I have in the house, plus it is a great way to use up old paper shopping bags (I use them instead of butchers paper).

What you'll need

- Permanent Marker
- Post it notes
- Butchers Paper

Steps

1. Take butchers paper (or paper shopping bags) and draw different shapes on them, the size of a post it note
2. Draw the same shapes on your post it notes and stick to the wall
3. Let your kids match the shapes on the post it notes to the shapes on the paper

Kids will learn about:

Hand-eye Coordination
Fine Motor Skills
Cognition
Literacy

Categories:

Quiet Time
Educational
Indoor
